Inbase Buds Mini Lite TWS earbuds with 40 hours battery life launched at Rs 1,299

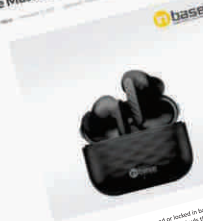

Inbase has added another device to its audio product lineup with the launch of Inbase Buds Mini Lite TWS earbuds. The TWS earbuds come in a flip-style case and offer 40 hours of playback time.

Inbase Buds Mini Lite: Price, colours and availability
Inbase Buds Mini Lite comes with a price tag of Rs 1,299. The TWS earbuds are available in black, pink and white colour variants. The earbuds can be purchased online from Inbase, Amazon and Flipkart websites.

Inbase Buds Mini Lite: Specifications

MOBILITY

Beyond Technology. Beyond Lifestyle
Inbase Launches New Range of Earbuds for the Ultimate Music Experience

Working out or working from home, out on the road or stuck in back-to-back meetings, an active lifestyle deserves the best. Inbase introduces three new earbuds that will help you throughout your entire day to commute. While the Inbase Buds Active and Free calls TWS earbuds are meant for those who want the best of both worlds and play, the Inbase Buds Pro X is for those who want complete hands-free, turn charging quickly and the latest in Bluetooth technology are some of the highlights of the three new variants.

SME CHANNELS

Inbase launches its latest series of Car Mounts and Holders for Tablets and Smartphones in the Indian market
Posted by: smechannels May 20, 2021in: Accessories, News
Inbase, a leading name in the innovative and portable digital product market has forayed into the Car Mounts segment by launching a series of 5 new car mounts –

Tablet Mount for Dashboard
Headrest Tablet Mount
Universal Car Mount for Mobiles
Adjustable Bracket 01 for Mobiles
Magnetic Air vent holder

DEVICENEXT

The Inbase Urban Pro X is crafted for convenience, featuring a HD microphone and speaker, for HD audio – be it calls or music playback. You can also make this smartwatch your health and fitness buddy that can look out for you throughout the day and night keeping a tab on your health with its 24*7 heart rate monitoring, SpO2 levels, monitors your Blood Pressure, calories burnt, etc. The Urban Pro X features a large battery that can keep the smartwatch powered 1 or up to 5 days if you frequently use the calling feature and up to 14 days if you use it only with notifications enabled.

Inbase Urban Pro 2 Smartwatch

INTRODUCING
PRO 2
Calling Smartwatch

Boasting a premium design, the Inbase Urban Pro X is built using a lightweight IP 687-protected Aluminum-PC casing allowing you to wear the smartwatch in almost any weather condition – be it at night, during the day or during workouts. The large 1.3" ultra-bright touchscreen display brings every detail to life with a sharper color resolution (240*280-dots) that brightens up your virtual world exponentially. Thanks to the smart and swift user interface, the watch sports 8 menu styles and 100+ customizable watch faces. You can instantly choose the UI to suit your mood and style. The in-built high-Definition Speaker and Microphone makes it easy to receive or reject calls directly, you can also control your smartphone's music tracks, volume, or even the camera shutter from a distance with the help of the watch.
