About **URBAN**

URBAN is a home-grown technology brand with a legacy of over a decade. Keeping quality as the core of brand ethos, URBAN endeavours to provide quality in everything we do. We believe in simplifying life and adding value through our products and technology. Right from the simple & impeccable process of customer support & query resolution to the rigorous and multiple Quality checks, are hallmarks of what the brand URBAN stands for.

Why we do it?

With a PAN India presence, URBAN has been successfully delivering innovation at your doorstep for more than 10 years and is constantly working up the ladder of transformation.

How we do it ?

We strongly believe that a gadget should be an enabler and not a liability. Having sold more than 10 million products in the past 10 years, URBAN products are extremely portable, user-centered, and innovative. We understand your needs and derive the most usable, stylish, and quality products, to the best of our technological capability.
