inbase
INNOVATION DELIVERED

Inbase, Founded in 2008 with a primary motive to be one of the leading and reputed brands known for high quality mobile accessories. Over the years, we have started expanding our business in multiple verticals such as Audio segment, Lifestyle Accessories, Smart wearable etc.

We always come with the best of technology and design at an affordable cost.

TOP CUSTOMERS

For more than a decade, we have been catering to clients across India, which includes LFRs like Reliance Digital, Croma, Poorvika, Big C, Sangeetha Mobiles and the list goes on

MARKET PRESENCE

Inbase laid its footmark all across India with over 5000+ retails outlets. Enthusiastic dealer and dealership Collaboration are always welcome

All across India with over 5000+ Retails outlets

Day to Day Power

POWER BANK

12W Fast Charging
FUEL X
Compact Powerbank

Smart IC | Fast Charging | Short Circuit Protection | Compact Size

- **Fast Charging:** Fuel X 10000mAH powerbank comes with the Fast Charging Output of 5V/2.4amps.
- **Dual Input and Dual Output Ports:** The Power Bank offers the convenience of both Type-C and Micro USB input ports, along with dual USB output ports. This allows for the simultaneous charging of multiple devices."
- **Smart IC:** Multiple layers of Protection from Short Circuit, Over Voltage, Over Charging & Over Heating.
- **Ergonomically Designed:** Perfectly Crafted for a Solid Physique using ABS-PC Material making it Extremely Durable for Enhancing its Performance & Portability
- **LED Indicator:** A sleek and sophisticated 4-LED display that allows for easy power status verification, with the added benefit of a flashing LED while charging.
- **Universal Compatibility:** The Powerbank is compatible with all kinds of Latest versions of Android and iOS Smartphones, Tablets, and other USB Outlet devices.

Magvolt 3

Magnetic Wireless Powerbank

- Magsafe Compatible
- Strong Magnetic adhesive
- 2-way Type C Fast Charging
- Pure Copper Coil

- Inbase MagVolt 3 is a Qi-compatible power bank with 15-watt fast wireless charging that contains a high-quality copper coil and is compatible with all certified devices that support wireless charging.
- It comes with strong magnetic adhesion that is compatible with iPhone and all other wireless charging compatible devices.
- The Wireless Powerbank has Built-in 4-in-1 Cables - Type C, Lightning, Micro and USB A, so you don't have to carry any cable and can charge multiple devices together.
- Supporting multiple fast charging protocols, this power bank supports 22.5Watt super fast charging with 22 watts PD charging.

Inbase Buds Mini Lite TWS earbuds with 40 hours battery life launched at Rs 1,299

Inbase has added another device to its audio product lineup with the launch of Inbase Buds Mini Lite TWS earbuds. The TWS earbuds come in a flip-style case and offer 40 hours of playback time.

Inbase Buds Mini Lite: Price, colours and availability

Inbase Buds Mini Lite comes with a price tag of Rs 1,299. The TWS earbuds are available in black, pink and white colour variants. The earbuds can be purchased online from Inbase, Amazon and Flipkart websites.

Inbase Buds Mini Lite: Specifications

MOBILITY
Beyond Technology, Beyond Lifestyle

Inbase Launches New Range of Earbuds for the Ultimate Music Experience

Working out or working from home; out on the road or locked in back-to-back meetings, an active lifestyle deserves the best. Inbase introduces three new earbuds that will help you throughout your entire da 's routine. While the Free Buds Active and Free Buds 3 Pro earbuds are meant for those who want the best of both work and play, the Buds Mini Pro is for those who want compact buds and don't want to compromise on performance. Extreme audio performance, outstanding playtime, faster charging speeds and the latest in Bluetooth technology are some of the highlights of the three new entrants.
